

The Hungry Season

author: Amanda M. Lyons, Amanda Lyons

2026-07

Synopsis

author	Amanda M. Lyons, Amanda Lyons
readBy	Chris Koprowski
inLanguage	english

These three stories come with a breath of cold and a sort of longing, the sort of thing that consumes someone if they let it. "Wendy Won't Go" is the story of a family whose loss threatens to consume them all, "Love like Blood" is a story about the limits one will reach before love is gone, and "Cold Comfort" is about the bitterness that devours us within before it goes on to consume everything around us.
