A mother and her 7-year-old daughter are kidnapped from a mall in Boca Raton, Florida, after an afternoon of Christmas shopping in December 2007. They're found executed in the back seat of their SUV, still parked in the mall lot. As police piece together details of the shocking crime, they realize the unthinkable: This child killer has struck before at the same mall, that same year. Only that time, the mom and son survived to tell about it. Subscribe today so you don't miss an episode. Visit [FeloniousFlorida.com](https://feloniousflorida.com).
