Stella O'Neil thought she'd lost her mother forever, but now, she's getting out of jail and ready for her big return. Stella isn't sure if she's more excited or terrified, but one thing is for sure, the chaos is over—or so she thinks. As with everything else in her life, nothing is ever easy. When she arrives at the prison to pick her mother up, she's shocked to learn her mom has already left. Now, instead of focusing on repairing their relationship, she has to unravel a tangled web of clues of where her mother went and why or risk never getting the mother-daughter connection she's always wanted. Can she solve the mystery and have the relationship she wants or is this just another obstacle she'll never cross?
