In the wake of the calamity that befell Easthaven, Feng Yu and his comrades embark on a perilous journey into the mysterious Avonz Ruins. This ancient realm is shrouded in mysteries and teeming with unforeseen monstrosities. As they face the resurgence of hostile relics and monstrous creatures, they must also contend with the sinister Crypt Sorcerers and their formidable allies. Will they succumb to the abyss of the southern sands, or unveil the long-buried legacies concealed by time? Join them in the epic conclusion to the saga of the treacherous southern lands and discover the fate that awaits in this gripping finale.
