inLanguage	english

For 14 years, five-time Edgar winner and MWA grandmaster Lawrence Block wrote a monthly column on fiction for *Writers Digest* magazine. These columns yielded four books regarded as classics: *Telling Lies for Fun & Profit*, *Spider Spin Me a Web*, *The Liar's Bible*, and now, *The Liar's Companion*.

Listen to *The Liar's Companion* and gain inspiration to create outstanding fiction.

Reader's comments

comment 1: Emily Turner

The Liar's Companion by Lawrence Sanders is a masterful exploration of deception, both in personal relationships and within oneself. Sanders, known for his sharp narrative style and intricate plot weaving, delivers a story that is as engaging as it is thought-provoking. The protagonist, a charming yet flawed individual, navigates a world where truth is a rare commodity, and lies are a currency. The novel excels in its character development, drawing readers into the protagonist's inner turmoil and the moral ambiguities he faces. Sanders's prose is crisp and vivid, painting a picture of a world where the lines between truth and falsehood blur, leaving the reader questioning their own perceptions. The pacing of the story is perfect, with each revelation and twist adding depth to the narrative. While the book delves into complex themes, it remains accessible and engaging, making it a compelling read for both fans of the genre and newcomers alike. Overall, The Liar's Companion is a testament to Lawrence Sanders's storytelling prowess, offering a captivating journey into the heart of deception.
