A librarian's discovery of a mysterious book sparks the journey of a lifetime in the delightful new novel from the best-selling author of *The Curious Charms of Arthur Pepper*.

Librarian Martha Storm has always found it easier to connect with books than people - though not for lack of trying. She keeps careful lists of how to help others in her superhero-themed notebook. And yet, sometimes it feels like she's invisible.

All of that changes when a book of fairy tales arrives on her doorstep. Inside, Martha finds a dedication written to her by her best friend - her grandmother Zelda - who died under mysterious circumstances years earlier. When Martha discovers a clue within the book that her grandmother may still be alive, she becomes determined to discover the truth. As she delves deeper into Zelda's past, she unwittingly reveals a family secret that will change her life forever.

Filled with Phaedra Patrick's signature charm and vivid characters, *The Library of Lost and Found* is a heartwarming reminder that even the quietest life has the potential to be extraordinary.

Perfect for fans of *59 Memory Lane*, *The Keeper of Lost Things* and *Something to Live For*.
