Tom is a teenager and blends into the background of life. After a row with his dad and facing an unhappy future at the dog food factory, he escapes to the library. Tom unwittingly ends up with a bagful of romance novels and comes under the suspicion of Maggie.

Maggie is a pensioner and has been happily alone for 10 years, at least that's what she tells herself. When Tom comes to her rescue, a friendship develops that could change her life....

They each set out to prove that the library isn't just about books - it's the heart of their community. Together they discover some things are worth fighting for.
