The Lion: Booktrack Edition adds an immersive musical soundtrack to your audiobook listening experience! *
In this eagerly awaited follow-up to *The Lion's Game*, John Corey, former NYPD Homicide detective and special agent for the Anti-Terrorist Task Force, is back. And, unfortunately for Corey, so is Asad Khalil, the notorious Libyan terrorist otherwise known as "The Lion." Last we heard from him, Khali had claimed to be defecting to the US only to unleash the most horrific reign of terrorism ever to occur on American soil. While Corey and his partner, FBI agent Kate Mayfield, chased him across the country, Khalil methodically eliminated his victims one by one and then disappeared without a trace.
Now, years later, Khalil has returned to America to make good on his threats and take care of unfinished business. "The Lion" is a killing machine once again loose in America with a mission of revenge, and John Corey will stop at nothing to achieve his own goal -- to find and kill Khahil.
*Booktrack is an immersive format that pairs traditional audiobook narration to complementary music. The tempo and rhythm of the score are in perfect harmony with the action and characters throughout the audiobook. Gently playing in the background, the music never overpowers or distracts from the narration, so listeners can enjoy every minute. When you purchase this Booktrack edition, you receive the exact narration as the traditional audiobook available, with the addition of music throughout.
