When Grace went to Africa to research the indigenous lion population, she had no idea just how close she was going to get to them.

A hot one-night stand with a handsome man named Dylan got extremely complicated when Grace discovered she was somehow pregnant. Little did she know, Dylan was actually a werelion, and she was now carrying the lion's love child.

With no way to contact him, Grace was resigned to raising the baby by herself; however, it soon became very apparent that this was no ordinary pregnancy, and this would be no ordinary baby....
