The story of the worldwalkers just got stranger in Charles Stross's *The Merchants' War*. **More** worlds, more surprises. And there's a war going on ...

Miriam Beckstein is a young, hip, business journalist in Boston. She discovered in *The Family Trade* and *The Hidden Family* that her family came from an alternate reality, that she was very well-connected, and that her family was too much like the mafia for comfort. She found herself caught in a family trap in *The Clan Corporate* and betrothed to a brain-damaged prince, and then all hell broke loose.

Now, in *The Merchants' War*, Miriam has escaped to yet another world and remains in hiding from both the Clan and their opponents. There is a nasty shooting war going on in the Gruinmarkt world of the Clan, and we know something that Miriam does not; something that she's really going to hate--if she lives long enough to find out.
