I didn't turn up uninvited. He asked me to come. He didn't need to ask twice. He knew I'd agree. Kind Laura. *Obedient* Laura. Laura the soft-spoken schoolteacher with the faded cardigans and flat shoes. Nobody ever suspected someone like me would appeal to handsome, charismatic, happily married Ralph. I think even he was surprised by his choice. But I'm used to people underestimating me. But then maybe I underestimated Ralph, too. Because I never thought he'd be capable of doing what he did. It wasn't only dangerous, it was very, very wrong. And I'm not talking about cheating on his wife.

As I said, I didn't turn up uninvited. He asked me to come. The last thing on my mind was killing him. **A domestic thriller about secrets, lies, and how no marriage is ever what it seems from the outside. Perfect for fans of *Big Little Lies* and *The Silent Wife*.**
