He didn't believe in the curse....

....until his friends started to die.

Was Damon's secret going to be the death of him?

He had always been superstitious, which is why he was a regular at Lauren's mystical shop. When Lauren read the tarot for him, he believed her. When she said she would go to the party with him, Damon was thrilled.

It was a mistake.

His friends were cruel.

What happened to Lauren, made him sick, but he was too much of a coward to stop them. As he watched her die, her final words nobody believed. Voodoo wasn't real.

Or was it?

You'll love this supernatural story, because the ghosts are angry, revenge is real, and redemption is a journey that can be hard on the soul.

Get it now.
