

The Modern Scholar: The Anglo-Saxon World

author: Prof. Michael D. C. Drout

2026-07

Synopsis

author	Prof. Michael D. C. Drout
readBy	Michael D. C. Drout
inLanguage	english

Had the Angles and Saxons not purposefully migrated to the isles of the Britons and brought with them their already-well-developed use of language, Angelina Jolie may never have appeared in the movie *Beowulf*.

Professor Michael D.C. Drout is at his best when lecturing on the fascinating history, language, and societal adaptations of the Anglo-Saxons. He not only presents their storytelling abilities using their own words; he does so in their own voice - the incredibly melodious Old English.
