The Most Dangerous Secret & The Art of The Peaceful Mind takes the mind to a more vibrant open space to think about your personal development and righteous goals in life. By entering this judgement free zone, you are accepting a listening space for healing from our day to day lives.

This audiobook ventures to tell a most dangerous secret that many would wish not be known or told in any channel, but we from source, who have supplied it, feel different. They say a mind stretched to a new dimension knows no bounds. Therefore, prepare for your balanced masterminds to be stretched to a new level of positivity you have been seeking in your life today, not someday.

The Most Dangerous Secret has been known by many intelligent beings, since time immortal, and it is now time for you to join their ancient ranks.

Because of the dangerous nature of the secrets shared in these audiobooks, their lessons may have been kept out of our everyday readings and school lessons, so we apologize in advance for any shock that may occur. This audiobook is here to shatter the veil of ignorance through the proverbial reading and writing by lawyer/author Michael Ofuani from Lagos, Flygeria.
