All good things must come to an end, right? Try telling that to Rupert Murdoch. In his eighties, the billionaire tycoon shows no sign of slowing down. But let's face it: the guy must be exhausted. His company is mired in scandal " again " and he's facing tougher competition than ever before. Don't even get us started on his sons, Lachlan and James, who are so pissed at each other they're about ready to rip off their shirts and fight it out. Something's gotta give or else Rupert's empire, the one he spent his whole life building, might just crumble. Be sure to check out "œPlanet Fox," the incredible three-part story about the Murdochs that ran in the New York Times Magazine: <https://www.nytimes.com/interactive/2019/04/03/magazine/rupert-murdoch-fox-news-trump.html> See Privacy Policy at <https://art19.com/privacy> and California Privacy Notice at <https://art19.com/privacy#do-not-sell-my-info>.
