2026-06

Synopsis

author	Kathy Paauw
readBy	Amy Faust
inLanguage	english

The Music of Your Heart audiobook is designed to help you tap into your own passions and create the life and freedom that you've always wanted. This audiobook will provide you with tools you need to achieve success and freedom as you build your business. Whether you are building your business on a part-time basis or this is your primary profession, you will find valuable tips and tools to assist you. The "Freedom Challenges" at the end of each chapter are designed to help you take action on what you learn as you listen to this audiobook. Dig deep and identify the "why" for starting your business. This foundational work is critical to network marketers or anyone taking the plunge to become an entrepreneur, because there will be times that you feel discouraged or you feel like quitting. Your bigger "why" for doing this work will keep you motivated to continue, no matter what challenges you encounter.
