## Synopsis

---

<p>This case is baffling and seems like it deserves a second look. 19 year old Kenneka Jenkins was found dead of exposure, in a hotel freezer (with the door latched) after attending a hotel room party that same evening. There is a trail of strange Facebook Live videos and choppy surveillance film that provide more questions than answers. Is this a terrible and tragic accident or did something more sinister happen to Kenneka? <br><br> <br><br> Thanks to our sponsors!<br><br> <br><br> <strong>Skylight Frame<br><br> </strong>Now, as a special holiday offer, you can get \$10 off your purchase of a Skylight Frame when you go SkylightFrame.com and enter code MORBID. <br><br> <br><br> <strong>FirstLeaf<br><br> </strong>Sign up today to get 6 bottles of wine for only \$29.95, plus free shipping for a year!
