## Synopsis

---

author	Nathan Dylan
readBy	Jonathan Goodwin
inLanguage	english

Morton Farrier's life as a forensic genealogist has kept him from his own family's secrets until now. This Christmastime novella follows Morton as he investigates the mysterious events surrounding his family's past, as well as events from one hundred years ago. In the course of his research, it soon becomes clear that not all of the soldiers had a peaceful truce on the Western Front during that fateful 1914 Christmas...With its cleverly plotted mystery and its unique blend of past and present, this third book in the Morton Farrier genealogical crime mystery series will keep you guessing until the very end.
