A terrible accident left physical therapist Layla Matthews with no memory of her freshman year of college in Pittsburgh. Almost 10 years later, she returns to the city to solve the mystery of her own past; and one clue leads her to Nathan Sinclair, the rude, arrogant, and ridiculously handsome CEO of Sinclair Industries. She doesn't remember him, but oh, does he remember her. Something happened between them her freshman year. Something that made him harden his heart against her and all other women - something he refuses to talk about, even after their unexpected reunion explodes into a passionate love affair. But even the hottest relationship this sweet physical therapist has ever experienced isn't enough to keep the demons of their shared past at bay. Someone's leaving her increasingly violent notes, and soon she doesn't know who she can trust. Can Layla solve the mystery of her past before it literally kills her? Find out in this super-sexy BWWM standalone interracial romance from Theodora Taylor's wildly popular 50 Loving States series: a seriously hot, one-of-a-kind romance with a mystery that'll keep you on the edge of your seat!
