The Moon barely survived the devastation of Anniversary Day. The second round of attacks planned to kill millions more. With the life of every human and alien on the Moon hanging in the balance, the Moon's chief security officer Noelle DeRicci races to discover the identity of the masterminds behind the attacks before it's too late.

Desperate to find answers, DeRicci turns to Retrieval Artist Miles Flint and Detective Bartholomew Nyquist for the kind of help only Flint and Nyquist can provide.

A gripping look at a society on edge.
