Organizations are stressed. Innovation and global competition have become the source of relentless pressure and customers have never had higher expectations. Corporate efforts to improve everyday productivity and boost profits are producing diminishing returns. Yet a new frontier of enormous opportunity to improve results is hidden in plain sight. According to a Fortune 500 study, as much as 80% of working time is lost to tiresome meetings, unclear expectations, difficult decisions, and other wasteful delays. Overcoming the lack of clarity behind this waste on both an individual and organizational basis would reap huge rewards.

In *The Power of Clarity*, Ann Latham exposes the unrecognized confusion and explains how to eliminate it. This fascinating guide to workplace productivity and effectiveness draws upon extensive research and case studies to demonstrate how you can get better results in far less time while also increasing confidence and commitment.
