She's carrying a secret more precious than gold.

Allison

The Prince's baby is kicking in my belly, but as much as I love the man, I don't dare let him know.

When I met the Crown Prince Sebastian, he swept me off my feet with his irresistible charm and gorgeous green eyes. Not to mention those broad, sexy shoulders that would one day carry the needs of an entire country upon them.

But a powerful enemy of the crown conspires to keep us apart, and to ensure the prince's reputation, I'm forced to abandon the only man I've ever loved.

When I look into my baby's eyes, I see his father, and I can't help but fall in love with the man all over again.

Sebastian

As soon as she won our first verbal sparring match, I knew Allison was the woman for me.

Being a prince, it was rare for someone to stand up to me. But Allison was different. She was strong and intelligent as she was beautiful. I knew I had to make her mine.

We were so happy, but now that she's disappeared, I'll use all my resources to find her and bring her back where she belongs.
