Many of the fairy tales and nursery rhymes you know are wrong. We had to research dusty libraries, read the memoirs of ancient nannies, and threaten the younger Grimm Brother with a Kimura lock to bring you the original, unaltered, martial arts-based stories. See such classics as: "The Coach Who Cried Kyongo!", "Goldilocks and the Three Kicking Distances", "Red Riding Hood and the Value of Deception", "The Three Little Pigs and Stances", "The Triangle Chokie Song", and many more!
