Something evil has taken over King Ormarr.

Only the Fire Wielder could possibly stop the foul entity who can control the minds of others.

But Enya, Fire Wielder of her generation, will need to master her new-found abilities and summon friends to help stop the monster she calls The Puppeteer before it destroys everyone she loves in its malignant craving to rule the nine lands beyond the Gate.

Fire, war, death, treachery, and a love she never expected are her constant companions.

She is the Fire Wielder and this is her tale...
