The Foxes are a fractured mess, but their latest disaster might be the miracle they've always needed to come together as a team. The one person standing in their way is Andrew, and the only one who can break through his personal barriers is Neil. Except Andrew doesn't give up anything for free, and Neil is terrible at trusting anyone but himself. The two don't have much time to come to terms with their situation before outside forces start tearing them apart. Riko is intent on destroying Neil's fragile new life, and the Foxes have just become collateral damage. Neil's days are numbered, but he's learning the hard way to go down fighting for what he believes in, and Neil believes in Andrew even if Andrew won't believe in himself.
