Azure has come face to face with the notorious bandit, James Bower. Completely surrounded, what can he possibly do to survive the encounter with an enemy almost double his level and emerge victorious? </p> <p>Things won't be easy for Azure as he faces more perils than ever before. Even if he does survive, he still has the Darkness status effect to contend with, sorting out his friends from his foes, and starting his journey to the God of Land. Perhaps he'll end up being the biggest backstabber in the end.</p>
