The Renter: The First Three Days marked Serena Pier's debut in romance writing in 2022. This novella follows Dani and Adam through their first three days together, setting the stage for the entire SAGA Series. This audiobook is for the NOVELLA. Not the full-length version of The Renter."

Dani and Adam are both picking up the pieces. She is living at home in the Geneva Lake area of Wisconsin for the summer after a career failure, and he is seeking distance from Chicago after his divorce. Neither expected to have a summer romance, yet the cottage he rents becomes the catalyst bringing them together and inciting a torrid affair. They discover mutual connections, threatening their sexy whirlwind.
