After years away from the North Pole, Kris Kringle happily accepts her Uncle Santa's offer to move back to Christmas Central as head chef. With her young daughter in tow, Kris returns home with two objectives in mind. Goal number one, bring her love of healthy eating and nutritious fare to the North Pole dining service. Goal number two, recover from heartbreak and forget Kyle Masterson, the man who broke her heart. But when Santa hires Kyle as a new co-chef for the holiday season, Kris suddenly realizes that replacing the elves' beloved sugar cookies with carrots is going to be a piece of cake compared to working alongside her ex-fianc .
