From the prolific author of *Riders of the Purple Sage* comes another thrilling adventure in the Wild West. Texas was a huge wide place full of frontiersmen, ranchers, farmers, cowpokes, shiftless no-accounts, shootists, rascals, and politicians - all of them blended together into a single state. The Rangers - lawmen, Texas Rangers - were outnumbered a thousand to one, and in one county, Pecos County, the law was all but helpless. When the good folk of Pecos County ask the Texas Rangers for help, Vaughn Steel comes to their aid. The odds are stacked against him in his battle to bring justice and law & order to the area but it turns out he has help, an ally know only to him. This thrilling tale by Zane Grey combines the best of a classic western saga, an enjoyable listen for anyone who loves a good western.
