From internationally bestselling author Katrine Engberg, the series that is a “gripping addition to the Scandinavian crime fiction pantheon” (*Oprah Daily*) comes to a stunning conclusion as Jeppe K rner and Anette Werner rush to untangle a long-simmering mystery before a brutal killer strikes again.

Jeppe K rner, on leave from the police force and nursing a broken heart, has taken refuge on the island of Bornholm for the winter. But when Jeppe lends a helping hand at the island’s local sawmill, he begins to realize that the island may not be the peaceful refuge it appears to be.

Back in Copenhagen, Anette Werner is tasked with leading the investigation into a severed corpse discovered on a downtown playground. As she follows the strange trail of clues, they all seem to lead back to Bornholm. With an innocent offer to check out a lead, Jeppe unwittingly finds himself in the crosshairs of a sinister mystery rooted in the past, forcing him to team up with Anette and a lonely island resident to help him unravel the Bornholm’s secrets before it’s too late.

With her signature “unforgettable characters and brilliant plot twists” (Kathy Reichs, #1 *New York Times* bestselling author), Katrine Engberg weaves a satisfying and white-knuckled finale to her “brazen and original” (*The Toronto Star*) K rner and Werner series.
