<p>This is how your life ends: Not with a whimper, but a scream!</p> <p>Jude Parish is afraid. The former violent crimes cop turned best-selling true crime author has a fear-filled demon lodged inside of him. A demon so real he can only imagine a slimy reptilian beast with scaly skin, black eyes, and razor-sharp fangs having taken up residence inside the place where his once confident and fearless soul resided.</p> <p>Now, in the wake of his literary success, the ever anxious Jude is hoping to lead a quiet, peaceful life in the idyllic pines-covered Adirondack vacation town of Lake George, New York with his new pregnant wife, Rosie, and Jack, his young son from a previous marriage. But when Jude becomes the accidental witness to a bizarre â€œkill gameâ€• in which the killer, video game designer, and master of disguise, Hector â€œthe Black Dragonâ€• Lennox, insists on recording the screams of his victims prior to shooting them dead, the ex-copâ€™s life is turned upside down.</p> <p>When Lennox is arrested by the L.G.P.D. and Jude is asked to act as the stateâ€™s â€œstar witnessâ€•, he has no choice but to fight his demon-fear and take on the role. But what he doesnâ€™t realize at the time, is that the killerâ€™s arrest is actually the first level in what is a carefully designed and scripted first-person video kill game that will involve his entire family as â€œplayersâ€• and â€œvictimsâ€•.</p> <p>How will the kill game end?</p> <p>Like all violent video games, it will end in death. But it wonâ€™t be â€œGame Overâ€• until Hector Lennox catches the screams of his tortured victims.</p> <p>Buy this audiobook now.</p>
