From #1 *New York Times* bestselling author and literary phenomenon V.C. Andrews (*Flowers in the Attic*, *My Sweet Audrina*) comes a gripping and suspenseful psychological thriller about a stalker hell-bent on destroying a young woman's life.

Pru has the perfect life—a successful boyfriend and thriving nursing career. There is one dark spot, however: the repeated, and increasingly intrusive, voicemails of a stalker named Scarlett.

Not only doesn't Pru know anyone with that name, but she can't recognize the voice. Even as she begins to investigate, she's determined to keep these horrifying messages a secret. Lewd and filled with details that no stranger could possibly know, Pru worries that these messages may paint her in a darker light and ruin the life she's built for herself.

But as she digs deeper, it becomes clear that something is going on that is altogether stranger than Pru could ever imagine—and these poisonous messages could silence all the beauty in Pru's perfect life once and for all!
