The second audiobook of Skilgannon the Damned, from the acclaimed author of *Legend*. Even in death, Skilgannon the Damned's name lives on. Now, as an ancient evil threatens to flood the Drenai heartlands in a tide of blood, he returns.... A thousand years after they fell in battle, two heroes - Druss and Skilgannon - are revered throughout the war-torn lands of the Drenai, where men and women live in abject fear of the dark sorceress known as the Eternal.... But what if the soul of one such hero could be called back from the void, his bones housed again in flesh? An ancient prophecy foretold that Skilgannon would return in his people's darkest hour. To most, this was a foolish hope. But not so to Landis Kan. Having found Skilgannon's ancient tomb, he gathers up the bones and performs the mystic ritual. But the reborn hero is an enigma: a young man whose warrior skills are blunted and whose memories are fragmented. This Skilgannon is a man out of time, marooned in a world as strange to him as a dream, remote from all he knew and loved. Or nearly all. Before bringing back Skilgannon, Landis Kan had experimented upon other bone fragments found in the hero's tomb. That ritual resulted in a surly giant who possessed astounding strength but no memories. To Kan, he is a dangerous failure. To Skilgannon, this giant represents their last hope. As ageless evil threatens to drown the Drenai lands in blood, two legendary heroes will once again lead the way to freedom. Read by Sean Barrett.
