Twelve strategies to help team members succeed in an entrepreneurial business and have the most fun, fulfilling, and rewarding experience of their working career. As Dan Sullivan says in the foreword to this audiobook, "Great teamwork is one of the most sought-after yet anguish-inducing qualities in the entrepreneurial universe." So, for the benefit of entrepreneurs everywhere and the people who work alongside them, Entrepreneurial Team Expert Shannon Waller has put together this collection of teamwork strategies. By adopting these 12 Entrepreneurial Attitudes, team members can become increasingly valuable to their entrepreneurial organization and transform their "job" into a source of endlessly expanding personal growth and meaningful rewards.
