A SCINTILLATING DEBUT MYSTERY FROM YOUR NEW CRIME FICTION OBSESSION: BIBA PEARCE.

Please note this book is a completely revised edition of THE SURREY STALKER.

A deranged serial killer targeting brides-to-be. An ambitious young detective. A case that could destroy everything.

A young woman is brutally attacked on her way home. It looks like she was the victim of a jilted and twisted ex-lover. But then two more women, also engaged to be married, are found dead. The press call the killer the "Surrey Stalker". And there's a stack of similar cold case files. The pressure is on for young, ambitious DI Rob Miller. But with all the time he's spending at the office, Rob's also running a fine line trying to keep his fiancée, Yvette, onside as they try to plan their wedding . . .

AN UNSTOPPABLE CRIME MYSTERY THAT YOU WON'T BE ABLE TO PUT DOWN

This pause-resisting debut is perfect for fans of Helen H. Durrant, James Oswald, Joy Ellis, Angela Marsons, L.J. Ross, Alex Smith and J.M. Dalgliesh.

MEET THE DETECTIVE

DI ROB MILLER

Detective Inspector Rob Miller of the Met is finally given his first case as Senior Investigating Officer. For an ambitious, young detective, this is a dream come true. He's gunning for promotion, and will do anything for his job, but can he also keep his personal life in check?

THE SETTING

The Murder Investigation Team is based out of leafy Putney, with its overgrown often-flooded riverbanks. One way the river leads into central London, the other out into the countryside. It's an idyllic setting that masks a criminal underworld.
