Get 35 hours of urban fantasy action and suspense in one collection! M.D. Massey is back with another collection of fast-paced urban fantasy audiobooks. Get all four full-length audiobooks in a bundle featuring magic, intrigue, Celtic and Greek mythology, and nonstop paranormal action!

Druid's Folly, book one

When Colin returns to the Hellpocalypse to right wrongs and repair the timeline, he quickly discovers that he's bitten off more than he can chew. With his druid magic diminished and allies few and far between, can he defeat a master vampire to protect the survivors he returned to save?

Druid's Curse, book two

After the disastrous results of his return to the Hellpocalypse, Colin seeks to level up by reclaiming his full druid powers. Unfortunately, that means traversing a deadly magical realm devastated by civil war, all while fighting off a curse that's leeching his life away, bit by bit. Can he lift the curse, survive a war-torn Underhill, and restore his connection to his Druid Oak?

Druid's Bane, book three

After surviving the goddess' curse and multiple assassination attempts, Colin returns to his own timeline to find his city and world in chaos. With his girlfriend missing in action, the werewolf and vampire factions at war, and the fae trapped behind a deadly enchantment, the young druid doesn't know which problem to tackle first. Can he solve the puzzle while fending off legions of Greek demigods and restore peace to his city?

Druid's Gamble, book four

The time has come to confront the entity that's been causing Colin so much grief. Now the druid will assemble a crew of supernatural misfits and thieves to stage the biggest heist in supernatural history, all in hopes of out-tricking a trickster god. Viva Las Vegas, baby!
