When it comes to genes life's a lottery....

As Abi knows - she's spent her life in the shadow of her beautiful, glamorous older sister Cleo. Headhunted as model when she was 16, Cleo has been all but lost to Abi for the last 20 years. So when Abi is invited to spend the summer in Cleo's large London home with her perfect family, she agrees despite serious misgivings. But maybe Cleo is finally as keen as Abi to regain the closeness they shared in their youth?

Abi is in for a shock. Soon she's left caring for her two young, spoilt nieces and handsome, unhappy brother-in-law, while Cleo plainly has other things on her mind. As Abi moves into her sister's life, a cuckoo in the nest, she wrestles with uncomfortable feelings.

Could having beauty, wealth and fame lead to more unhappiness than not having them? Who in the family really is the ugly sister?
