Film editors have film school, video editors have Unsplice. My name is Shiny, I'm the founder of video editing training academy Unsplice, and on The Video Editing Podcast you'll get straight-forward weekly video editing tips, tactics and career advice learned from 15 years as a professional video editor in London. You'll hear coaching calls with editors in the same position as you, as well as from pros at the top of their game and how they got there. We love talking documentaries, commercials, branded content, trailers, music videos and everything in between. Come join our community of editors passionate about the type of work that makes up the majority of the editing job market - video editing. Do you have a question you want answered on the video editing podcast? Just email contact+podcast@unsplice.com
