Their wedding was the hottest ticket in town, but an enemy wanted in. Everyone that mattered attended, including an uninvited VIP guest who crashed the wedding. But he didn't come just for the wedding. He needed their help. Help which had to happen soon, or it could be too late.

Ruby Masters was happy. Finally, her wedding day was here. She prayed that having put Snowy Peaks behind them, they could now saunter into their happily-ever-after. Will her hopes stand?

Robert Towers counted the days until today - his wedding day, when the love of his life will finally be his. But when anomalies occur before the wedding, he wondered if his assumption of their final safety from the reach of the evil masterminds was an illusion or a divine guarantee, even as surprising secrets unfolded. This is the third book of The New Rulebook series.
