The Writer's Hypnosis Bundle - Unleash the Wordsmith Within, using Hypnosis

Writing can be torture at times. You end up staring at a blank page or screen, or laboring over each and every syllable. But to be the best writer possible, you need to be able to relax, let the words come, and go with the flow. You need to limit distractions, access your imagination, and put everything you can into crafting your text. And you can do all of that in just a few hours - with help from hypnosis.

Set Your Natural Writing Talent Free

The four super-creative sessions in *The Writer's Hypnosis Bundle* will enable you to switch on your natural writing abilities, increase your creativity, and enhance your powers of concentration to let your words flow freely and efficiently.

Hypnosis Session 1: Be a Better Writer

Embed your mind with the firm command to be a better, more productive writer. Conquer writer's block with new habits that make you think in creative ways. Generate positive energy that transfers from you to your readers, bringing your words to life as you discover how to write better, easier, faster - just by listening.

- Maximize your writing ability!
- Captivate and engage readers with ease
- Rewire your brain to write with purpose and clarity
- Develop the power to write on demand

Hypnosis Session 2: Total Focus

Dissolve distractions, create a sense of focus, and get more writing done - whenever you want. Get back to basics to enable you to write every day, whether it's a journal, a novel, blog post, or a stream of consciousness exercise. Develop a powerful reflex that will trigger whenever you get side-tracked, helping you zoom in and be as productive as possible.

- Enjoy super-sharp concentration and get more done!
- Blast through your inbox and to-do list in minutes
- Find solutions to writing problems quicker than ever
- Get recognized at work and boost your prospects

Hypnosis Session 3: Become More

Creative

Tap into the huge creative potential in your mind as you begin to think differently and spawn new ideas. Draw inspiration from the world around you, subconsciously generating fresh solutions, stories, plots and themes. Become a more creative writer in general, and produce work that's more informative, engaging, and enjoyable to read.

- Enjoy a surge of creativity whenever you desire!
- Overcome negative habits that shackle your creative impulses
- Develop and share fresh and exciting solutions

Hypnosis Session 4: Sharper Thinking

Sharpen your concentration, think faster and smarter, and get more done with your time. Turn your brain into a lean, mean writing machine, focused on the task at hand. With this hypnosis session, you'll generate powerful new writing habits that allow you to be more concise and target specific writing tasks with ease.

- Sharpen your thinking in all areas of your life!
- Focus more easily than ever before
- Rapidly solve writing-related problems
- Pick up new hobbies and skills quickly and with ease
