There's almost nothing Wanda Jefferson wants more than a family to call her own, and she's almost got it all with her husband, Heath, a beautiful home in the suburbs, and her soul-satisfying work with her best friends as part of OOPS-a paranormal crisis hotline.

Yet, still, there's a tiny hole in Wanda's heart she longs to fill with a baby. As she and Heath explore adoption, and finally bring home a beautiful baby boy with the support of their friends and family, everything that can go wrong, does.

First, no one, not even Nina the baby-loving vampire, can soothe the cranky infant. He cries constantly, bringing Wanda's insecurities as a new mother out in full force. Then banshee Sal Brice and sexy skinwalker Grey Hamlin show up, and, yikes, do they have a tale to tell - one that involves a diabolical plan that threatens Wanda's newly formed family.

You know what that means, right? Hell hath no fury like the OOPS women on a case!

Contains mature themes.
