***This tear-jerker of a romance follows two souls in need of healing—when all roads lead back to each other.***  
**Can a perfect love heal even your deepest wounds?**  
*As a helicopter medic, Daniel Bliant saves other people’s lives. He’s cool under pressure, a calm presence for trauma victims on the worst day of their lives. So why can’t he heal himself? When he answers an emergency call at Phil’s Bar, he can’t believe who the bartender is: the beautiful woman he saw in his ER months ago and hasn’t been able to stop thinking about. But even though Annika is intelligent, lively, and gorgeous, he knows he should forget her. He hasn’t worked through his own trauma after the incident that left him shattered, so how can he possibly think about love?*  
*Annika Mehta loves her job as a kindergarten teacher, even if the low pay means she has a side gig tending bar at Phil’s. She may be reeling from a bad breakup and the terrible event that caused it, but she knows she’s resilient. What she doesn’t need is Daniel. He’s wrong for her in every single way, but somehow, she can’t let him go.*  
**Don’t miss *The Second First Chance* by Mona Shroff! A stunning new novel about courage, hope and second chances perfect for fans of Katherine Center and Jill Santopolo.**
