**Someone at this school is keeping a secret.**

**Someone is stealing what doesnâ€™t belong to them.**

**And we might all be in danger....**

Iâ€™m still recovering from the chaos of the Trials, but thereâ€™s no time to fall behind.

Strange things are afoot at the Academy of Unpredictable Magic, and somehow, Iâ€™ve found myself in the middle of it all again.

On top of that, even as I start to fall harder for the four men who have worked their way into my heart, an unexpected revelation threatens to upend everything between us.

But Elliot Sinclair doesnâ€™t go down without a fight.

Iâ€™m just not sure who I should be fighting....

*Thief* is the third book in the Academy of Unpredictable Magic series, a medium-burn reverse harem story intended for ages 18+, featuring a badass chick and the four sexy men who fall in love with her.
