When it comes to stealing from mafia men, there are three rules. Don't get caught. Don't be seen. And most of all—don't fall in love with them. After being hired to steal a painting, I find myself ensnared. Damon, Minos, and Aaecus are monsters, and they only want one thing: Me. Seven days of sin in exchange for freedom from the Three Fates Mafia. If only it were that easy. The strings of fate have bound the four of us together, and not even gods or monsters can keep us apart. *Thieves and Monsters* is a why-choose monster mafia romance with spice and size difference. It is the first book in the Three Fates Mafia Series and can be enjoyed as a standalone.
