

Tickles

author: Kevin Candela

2026-07

Synopsis

author	Kevin Candela
readBy	Mason Wong
inLanguage	english

Take a freakishly harrowing journey with an ordinary person who comes to realize that his nightmares have manifested as a power of sorts...though his "gift" is anything but welcome as it stalks and murders at will.

The powers of the mind and the campfire scare stories of childhood merge in *Tickles: A Little Bedtime Horror Story*, creating a monstrous darkness that, well, what exactly do you do when your fears are killing people?
