After risking their lives completing the Trials set by Hera, Athena, and Artemis, Lyssa and the crew of the *Alastor* now need to face the twisted imaginations of three more gods and hope they can prevail. With nine Trials still to go any of the four crews are still in with a chance of winning the most coveted thing in Olympus - immortality. And some of them will do absolutely anything for an infinite life. With secret alliances, spiraling emotions, and dangerous challenges, will Lyssa be able to control her power and stop Hercules coming closer to immortality? You've never heard Greek mythology like this before... **Tides of Olympus** is the second novel in the Immortality Trials and contains episodes four, five and six. *Skies of Olympus* must be listened to first!
