

Tilting at Windmills & Words

author: Regina Puckett

2026-07

Synopsis

author	Regina Puckett
readBy	George Taylor
inLanguage	english

A collection of poetry. Memories. Memories are often disguised and veiled/As snatches of feelings and thoughts inhaled/But with each and every telling and repeating/These collective truths take a gallant beating/They become our unique and jeweled prize/Of made-up reminiscences and treasured lies.
