Titania may be the only one capable of ending the evil stalking the fae, but staying alive long enough to do it may prove her biggest challenge yet. Hidden deep in fae lore lies a legend. It holds that there will be One granted the power to end all evil. Titania has come to realize she may be the prophesied One. An omen of three evils and being wooed by a pack of hungry suitors are only a few of Queen Titania's stresses. Everything is piling up, and she's determined to rise to each challenge. She must harness the gifts bestowed upon her, but time is ticking away, and the best she can manage are a few sparks. Now, there's a race against time as she's tasked with choosing a husband while trying to save the world from certain doom. *To Be a Fae Legend*, the third book of the *Realm Chronicles* series, is a treacherous journey into Lower Earth. Enter if you dare risk confrontation with nightmare-ish beasts and dark spirits of the deep. If you like valiant heroines, you'll love Tricia Copeland's electrifying fantasy. Download *To Be a Fae Legend* to spiral into a magical world today!
