

Too Much Man for Just One Woman...and Other Lies

author: Steve McGrew

2026-07

Synopsis

authoriř¼š	Steve McGrew
inLanguageiř¼š	english

Steve is a man for today. He was born in Oklahoma in the 50s and grew up thinking that the world was a wonderful place. Just like the Cleavers, he thought that everyone in the whole USA was like the people in his neighborhood - honest, hard working, God-fearing people.

Then he started traveling around the country. Boy, was he wrong!

For Adults Only: Explicit language. Must be 18 years of age to purchase.
