

Tropic of Capricorn

author: Henry Miller

2026-07

Synopsis

author	Henry Miller
readBy	Campbell Scott
inLanguage	english

""American literature today begins and ends with the meaning of what Miller has done."" " Lawrence Durrell

""There is nothing like Miller when he gets rolling. . . . One has to take the language back to Marlowe and Shakespeare before encountering a wealth of imagery equal in intensity."" " Norman Mailer

Banned in America for almost thirty years because of its explicit sexual content, this companion book to Miller's *Tropic of Cancer* is a semi-autobiographical novel that chronicles Miller's life in 1920s New York City. Famous for its frank portrayal of life in Brooklyn's neighborhoods and Miller's outrageous sexual exploits—from his teenage affair with a piano teacher twice his age to his tumultuous marriages—*Tropic of Capricorn* is now considered a cornerstone of modern literature. The audiobook is narrated by acclaimed actor Campbell Scott.
